

TOUR 3.

Machans Beach Esplanade to Machans Beach

Distance: 4 km (one way)
Time: Cycling - 2 hour return,
Start: The Lagoon, Esplanade, Cairns

Take the Esplanade cycle path to Lily St. Follow Lily St across the railway line and turn right into McLeod St to join Greenslopes St.

Take the bike path through Centenary Lakes to Collins Ave, then join the creekside path through bushland to Quarry St and onto Aeroglen Drive.

You then need to turn onto the highway for a short stretch of 1.5 km to cross over the Barron River. Take care on the bridge as the shoulder narrows.

Just before the Machans Beach roundabout, cross the median strip at the cycle bay and join the road into the village and right to the beachfront.
