Path beside Chinaman Creek

City Place from Lake St

City Earlville Bikeway

The City-Earlville Bikeway, extending from the western suburbs to the CBD, offers a safe and fume free way of riding your bike to the city and back. Starting in parkland beside Chinaman Creek, ride along Chataway, Givens, Mann and Upward Streets. You can turn right at Martyn Street to go to Cairns Central, or turn right at Lake St then ride on to City Place.

This bikeway would be handy for the residents of Westcourt, Mooroobool, Earlville, and even Bayview Heights and Woree.
