

# Machans Beach Esplanade to Machans Beach by Bicycle

Take the Esplanade cycle path to Lily St. Follow Lily St across the railway line and turn right into McLeod St to join Greenslopes St.

Take the bike path through Centenary Lakes to Collins Ave, then join the creekside path through bushland to Quarry St and onto Aeroglen Drive.

You then need to turn onto the highway for a short stretch of 1.5 km to cross over the Barron River. Take care on the bridge as the shoulder narrows.

Just before the Machans Beach roundabout, cross the median strip at the cycle bay and join the road into the village. On the right hand side you will notice the Machans Beach State School. Turn right at the next roundabout. Head into Christensen St and then turn right again at School St.

## - LEGEND -

- ..... Cycleway / Shared Path
- Road that's cycle safe
